TBDHU.COM

December 3, 2021

To: St. Martin School and Schoolhouse Playcare Centre Community,

The Thunder Bay District Health Unit (TBDHU) and the Thunder Bay Catholic District School Board would like to inform you that the outbreak at St. Martin School and Schoolhouse Playcare Centre is now considered over. The school is no longer considered to be at increased risk related to COVID-19 stemming from the recent cases.

There is no evidence that any additional spread of the virus has occurred within the school, the child care or buses. Note that all individuals that were identified by public health as a positive case of COVID-19 or close contact will be required to stay home and not return to the school setting until cleared by public health.

We urge you to maintain ongoing vigilance in following all public health recommendations. Please see my [Letter to Parents and Caregivers](#) sent out by school boards on Friday, November 26, 2021. In addition, the TBDHU website also has information: [TBDHU.com/stopgerms](https://tbdhu.com/stopgerms) and [TBDHU.com/safereturn_parents](https://tbdhu.com/safereturn_parents).

Thank you all for your cooperation in this process.

TBDHU encourages anyone who is eligible, to be immunized with both doses of the COVID-19 vaccine. Please visit [TBDHU.com/VaccineFacts](https://tbdhu.com/VaccineFacts) for credible information on the vaccine and where to get vaccinated.

Sincerely,

Janet DeMille MD, FRCPC
Medical Officer of Health
Thunder Bay District Health Unit
